

A Shared Commitment to Creating a Cleaner, Healthy Campus

The PURELL SOLUTION™. Trusted Products You Can Count On

Students are always on the move, frequenting all types of areas from dorm rooms and dining halls to athletic facilities and classrooms. PURELL® products can help reduce the presence of germs across campus with effective, sustainable solutions that are convenient and easy to maintain. The PURELL® brand enhances the image of your university by showing you care enough to provide the very best. When students, guests, and faculty see the PURELL brand, they have confidence the facility is clean and free of harmful germs.

Positive Impression

PURELL products are universally recognized and trusted to provide fast and effective protection from germs.¹ In a recent survey, 80% of people said that seeing PURELL products left a positive overall impression of the facility providing them.²

Trusted Products

From Canada's #1 brand of hand sanitizers³ to soaps and surface disinfectants, PURELL® products help you keep the facilities on your campus up and running – and promote a healthy experience for students, faculty and guests.

Effective, Safe Solutions

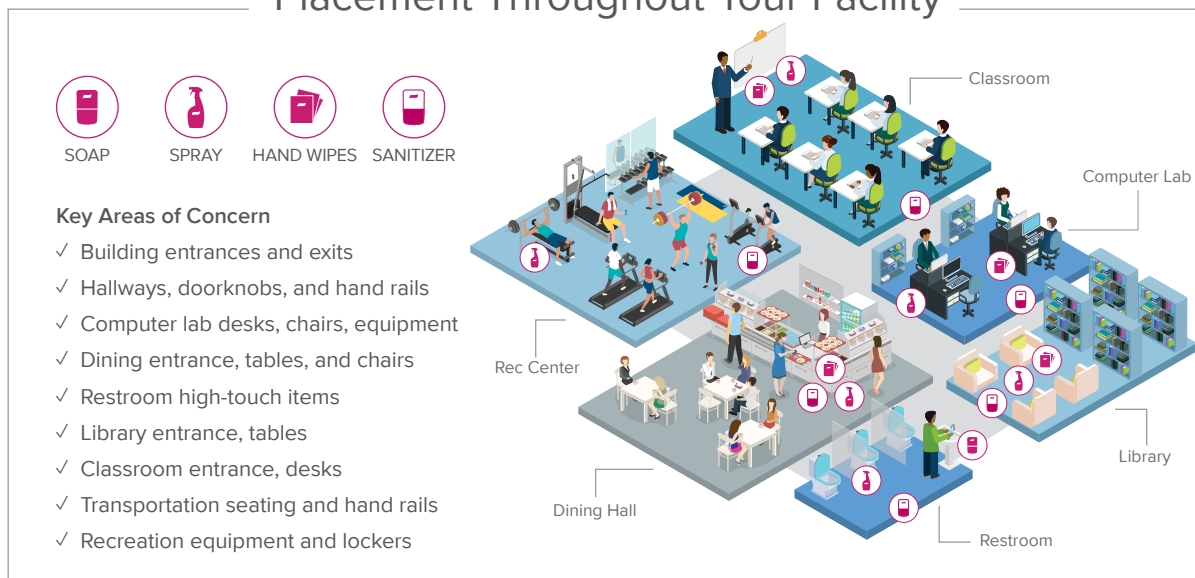

PURELL products are made with mild, effective ingredients and no harsh chemicals to kill germs without damaging skin or surfaces. This includes PURELL Surface Disinfectant that kills 99.9% of germs – including human coronavirus in just 30 seconds⁴ and requires no rinsing[†] after use.

The PURELL SOLUTION™ for Higher Education

Showcase your commitment to a safe, sustainable campus with high-quality solutions. The PURELL® brand has earned Gold status for the Cradle to Cradle Certified™ Products Program for hand sanitizer and soap formulations. This certification is the world's most advanced standard for safe, renewable and responsible materials and products.
