

Demonstrate Your Commitment to Tenant Well-Being

The GOJO Programme for Office Buildings

- A clean, easy to maintain washroom is important and a soap system upgrade is an easy and impactful way to improve the tenant experience.
- The GOJO range of touch-free dispensers and refills make it easier to maintain clean sinks and counters.
- SANITARY SEALED™ refills protect users from cross contamination risks of bulk fill soap refills.

A soap system upgrade is an easy and impactful way to improve tenant experience.

Demonstrate your commitment to tenant well-being with the GOJO Programme for Office Buildings

- Performance guaranteed - both the LTX™ and ADX™ systems carry the GOJO lifetime performance guarantee - a dependability promise that even includes the batteries in the LTX touch-free system
- Built to last, easy to service
- PURELL® PERFECT PLACEMENT™ for washrooms shows your commitment to your tenants and that you hold your building to a high standard
- SMART-FLEX™ Bottles with removable pumps for convenient and easy recycling to support your tenants sustainability goals
- Show a consistent image of health and well-being throughout the office building

For European Markets Only.

1 Reference. 4-Week Clinical Field Study #2011-F10233, Akron, OH, February - March, 2011

Use biocides safely. Always read the label and product information before use.

** These products are included in the GOJO® SUSTAINABLE HYGIENE™ Science portfolio based on their design for sustainability performance. They meet industry standards for ready biodegradability and GOJO standards for sustainable formulations based on the increased use of naturally renewable, plant-based ingredients. The portfolio also features source reduced SMART-FLEX™ recyclable refill packaging to minimise environmental and human health impacts.
